

Where has the time gone?

We knew time would fly but not this fast! It's time for us to move on but not before we look back at our achievements throughout the year.

This half term we trained ourselves to run 5k. It was absolutely scorching for the training beforehand and the actual week-long event itself! We calculated that this was 26 times round the school field.

Throughout the week we ran 5 laps daily then a big 10 on the final day. Some children even pushed themselves to run the full 26 (5k!) in one go. It was great to see parents showing support and rather emotional at time! We motivated ourselves to keep going, by thinking about the people who are less fortunate than us, especially with health.

We raised an amazing £401.80 plus there were extra donations coming in after the initial amount had been counted. We were all extremely proud of ourselves.
