

Year 1 Spring Term

This term we have been learning all about plants. We have planted seeds and watched them grow into seedling shoots. We visited Hardwick park to learn about different trees and spring flowers.

While we were there, we were able to take part in the Gruffalo Hunt and called for Rapunzel! We have also investigated the parts of

a plant by growing broad bean seeds in a mini-greenhouse and looking closely at the growth of the roots

and the shoots.

In Art we have enjoyed using

plasticine to create sculptures of natural objects and animals. In maths we have enjoyed working with 3D shapes.
